PET ADDENDUM

What is an invisible pet?

The term "invisible pet" means that when the unit is returned, we should not see any visible signs that there was an animal in the vehicle. This includes, but is not limited to; pet hair, carpet and/or fabric stains, carpet and/or fabric tears, damage of window coverings, pet food, any smell or odor associated with an animal.

If evidence of a pet is found, you are subject to the following:

- At minimum, loss of \$200.00 security deposit
- Excessive cleaning charges will be billed at \$89.00 per hour
- Any item with permanent damage or discoloration will be handled according to our "Vehicle Loss or Damage" addendum.

Restrictions:

Only service animals are allowed in our rental units. Do not leave your pet unattended in the motor home. Free roaming of the animal in the motor home is not allowed while you are away.

Be respectful!

We ask that you **do not allow** your pet to be on **ANY** of the furniture in the rental unit. This includes seats, sofas, dinette area, overhead bunks or beds.

Remember, where your pet may be lounging is where the next renter or child may be laying their head for a good night's rest. Our next renter may have allergies triggered by your pet.

If evidence of a pet is found and it was NOT disclosed at the time of reservations, you will be subject to an automatic \$200.00 fine.
